THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

re: P. J. Thurston, #1251415.
N.½ 23-57-5-W.5th M. - S.S. -

The above named settler secured advances from the Board totalling $1500., the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Thurston requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Thurston states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 1st instant.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1171), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations the Board hereby requests that the right, title and interest of His Majesty in the N.½ of 23-57-5-W.5th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

THE [illegible] SETTLEMENT BOARD
OF [illegible]

[illegible]:

WHEREAS it is provided by the Regulations for the transfer of certain lands to the Board where settlement duties completed, approved by the Governor in Council on the 4th day of June, 1921, (P.C.1121), that in the event of a settler who holds any Dominion Land on which a charge has been imposed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, having complied with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge imposed against it as aforesaid, the Minister, at the request of the Board may transfer to the Board the land so held by the settler;

AND WHEREAS F.C.Thurston is a settler within the meaning of the Soldier Settlement Act who holds the N.W.¼ of 13-57-5-W.6th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

NOW KNOWETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said section One of the Regulations for the transfer of certain lands to the Board where settlement duties completed, as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1121), declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous to be vested in the Board.

Sir,-

Replying to your letter of the 26th ultimo, I have the honour to state that the soldier [illegible] named enlisted at Edmonton, Alberta, on November 17th, 1914, in the 51st Overseas Battalion.

The Director General of Medical Services was asked to furnish a certificate as to the total disability of Private Price, but that officer reports that this man is still in England, and that no reports concerning him reach his office until he sails from England.

As you have already received a certificate from the Chairman of the Elinlei Colliers' and Sailors' Care Committee, is it your wish that a further certificate be asked for from England? If so, steps will be at once taken to comply with your wishes.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: P. C. Thurston - 1251416
N.E.¼ 23-57-5 W. 5th M. (Hsd)

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $1500., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Thurston requesting that patent to his homestead should be issued in favour of the Board. Mr. Thurston states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 30th March, 1925, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1521), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 23-57-5 W. 5th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

The application for entry, which was recently received, was made before the Sub-Agent at Postlock, and it is noted that the statement by the applicant on Form 343 A did not accompany the application.

Please direct the Sub-Agent's attention to this omission and to the circular letter of the 23rd March last and instruct him to exercise greater care in future -- forwarding a copy of your letter to this office.

If your records show that hay permits have been actually issued on this land you should communicate with the entrant (sending a copy of your letter to this office) informing him fully in regard to the hay permits issued prior to date of entry, and requiring him to furnish you immediately with a statement on form 343 in order that his entry may be confirmed. Madam,

Homestead - John B. Wooley.(deceased).

I beg to acknowledge the receipt of your statement on form No. 36½ setting forth the duties which have been performed in connection with the above described land, the homestead of your late husband.

From this evidence it appears that the required duties have been completed and a satisfactory application for patent could be made by the legal representative of the estate. You should therefore arrange to appear before the Agent of Dominion Lands at Edmonton or the Sub-Agent for the district in which the land is situated as soon as you return to this district as you state it is your intention to do so. You might also state whether or not it is your intention to have patent issue direct in the name of the deceased or whether you intend to take out Letters of Administration of the estate in order that patent could issue direct in your name. Should patent be issued in the name of the deceased, it is probable that the Registrar would require the production of Letters of Administration before you could exercise any right of ownership in connection with the land, so that it would appear that it would simplify matters if you would take out Letters of Administration of the estate in order that patent could issue in your own name.

Will you kindly advise the Department what action you intend to take in this matter.

Your obedient servant,

Secretary.

BOARD ORDER
No. 5209

T.S.538. 213.3.2.

August 26th, 1931.

E.J. Fream, Esq.,
Chairman, Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:-

Re: Joseph T. Sawyer,
S.½-13-25-3-W.4th,
Prov. Seed Grain and
Joint Relief.

This man secured advances from the Provincial Government on the security of the above land and no re-payments having been made the account now stands as follows:-

Seed Grain:

Lien #3152	March 24, 1926.	$195.75		
Bank Charges		35.14		
		$230.89		
Interest to December 31, 1930.		130.09	$360.98	

Relief:

Lien #3764	April 22, 1929.	$ 40.50		
Interest to December 31, 1930.		30.27	70.77	$429.75

Owing to adverse farming conditions the debtor failed in his operations with the result that the S.E.13-25-3-4 was foreclosed by the Holland Canada Mortgage Company, under a prior mortgage and title now stands in the name of that Company free of all encumbrances.

The S.E.13-25-3-4 was included in the security given for the Relief advance, but this quarter section has never been patented and it is not desirable that the liens should be held as a charge against this property, which, being situated in a semi arid district, is of low value.

After foreclosure action, which occurred in 1926, the Department endeavored to locate the debtor and certain chattels given as security for the Relief advances but they received a report from the Alberta Provincial Police stating that Sawyer had left for parts unknown, and no trace of the Government security could be found.

It is evident, therefore, that this account is of no value, and I would recommend the same be written off as uncollectible.

Yours truly,

DIRECTOR.

WH/JI.

The Tax Consolidation Board, hereby recommends that the liens charged against the S. ½, 13-25-8-W. 4th Mer., for advances made to Joseph T. Sawyer, be discharged.

The Board submits in support of this recommendation:-

1. That at the time the advances were made the debtor was the owner of the S.E.¼, 13-25-8-W. 4th Mer., subject to a first mortgage in favor of the Holland Canada Mortgage Company, which had priority to all liens.

2. That the Mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.

3. That at the time the advances were made the debtor appears to have held Pre-emption entry to the S.W.¼, 13-25-8-W. 4th Mer., but that he did not complete his duties and patent for the said land has not been issued, but no advice has been supplied as to whether the debtor's Pre-emption entry was cancelled.

4. That the land is situate in an extremely dry District and has a very low value and if not already cancelled it is desirable that proceedings be taken to provide for the cancellation of the debtor's entry.

5. That it will not be possible to bring the land back into use so long as it is encumbered with the liability of the original entrant, and for this reason it is desirable that the liens be discharged.

6. That the debtor left the Country in the year 1926, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Sir,

Board Order 5209.

In this case there were outstanding certain advances in the joint right of the Province and the Dominion. The Adjustment Board of Alberta in their report dated 6th November, 1931, recommended that the indebtedness be written off as a loss. They also advised that the liens are not registered. This recommendation has been ratified by Order in Council P.C. 69/323, dated 13th February, 1932.

As no action to deregister is necessary this communication may be accepted as conveying the consent of the Department to the cancellation of the liens and the closing out of the account as a loss, which action has already been taken on our records.

Your obedient servant,

H. E. Hume,
Chairman, Dominion Lands Board.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

NATURALIZATION

Any entrant who is not a British subject by birth should file along with his application for patent evidence of his naturalization as a British subject, or submit satisfactory evidence that he has applied for naturalization.

Any alien entrant who is debarred from naturalization under the provisions of Paragraph (B) of Subsection 4 of Section 8, Chapter 28, 9-10 George V, can now apply to any Judge of any Superior Court or any Circuit, District or County Court for a Certificate in Form K. The issue of this certificate and the method of obtaining it is fully set forth in the memorandum enclosed.

If you are debarred from securing naturalization under the law as above quoted, you are hereby required to make immediate application to the proper Court for a decision that you are qualified and fit to receive patent as far as naturalization is concerned. When making such application please ask the Clerk of the Court to complete the enclosed form and hand the same to you. The form after being filled up and signed by the Clerk of the Court is to be returned to me at once.

If you are prevented, by reason of sickness or other unforeseen and exceptional circumstances, from making application before the Judge within the next sixty days, you should furnish me with a Medical Certificate or Statutory Declaration showing the facts.

"Settler" means a person who at any time during the war has been thereon engaged on active service in a military force,—

(1) of His Majesty, and has served out of Canada, or wherever he may have served as the result of his ability, increased or aggravated as the result of such service in respect of a pensionable disability; or,

(2) of His Majesty or of any of His Majesty's Allies, and being ordinarily resident in Canada when he enlisted, or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony, and has served out of the country wherein he enlisted, or otherwise became a member of such force in a theatre of war, and has been otherwise than honourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re E.½ 34-33-21-4

Please see letter hereunder from the Agent of Dominion Lands, Calgary, with which he enclosed a Statutory Declaration executed by Willie Williamson in support of his claim for the removal of a lien for $123.60 alleged to be illegally clouding the title to the land above described in the name of William Williamson.

In this connection I might state that I have no record of any lien for this amount being given by Willie Williamson on the security of this land, nor have I record of any lien or liens making up the amount in question given by any man of similar name in this registration district.

I have, however, a lien making up the amount of $123.65 given by Wm. Williamson on the security of the W.½ 28-32-5 W4M. I therefore presume that the amount in question is intended for $123.65 being the registration of the total indebtedness incurred by William Williamson on the security of the W.½ 28-32-5 W4M.

Will you kindly take the required action, advising the Agent of Dominion Lands, Calgary, and Mr. Willie Williamson, Rumsey, Alta.

Memorandum:

Mr. Hume

N.W.¼ 28-32-5 W. 4th M. Area "B".
Pre-emption - William Williamson.
Entry granted 21st April, 1913.

The entrant in this case made application for patent on the 10th July, 1918, claiming sufficient settlement duties completed as shown on Form 58-B (marked). The application for patent has been held up pending payment of the purchase price. No Certificate of Recommendation has been issued.

According to the Patents Branch there was $649.92 due on account on the 1st August last.

Inspector Tempany reported on the 21st December that the entrant was in Cochrane, Ontario.

Improvements: All fenced.

General Remarks:

"I understand that Mr. Williamson is living at Cochrane, Ont. at the present time. The land is rented to Mr. R. R. Massan, who is farming the S.W.¼. The taxes are in arrears & the Municipality at getting Mr. Williamson's share of the crop 1/3 to apply on taxes. The pre-emption is rolling rough land & more suitable for grazing."

Cancellation proceedings were instituted against the entry on behalf of the Department on the 3rd March last on the grounds of non-payment. The sixty days has now elapsed and no defence has been filed. The Agent asks to be advised as to what action is to be taken in connection with the proceedings pending.

In view of the evidence furnished by the Inspector in his report referred to above, and as the entrant has failed to file a defence, I would suggest that the Agent be instructed to carry out cancellation provided he is aware of no reason to the contrary and to post the land for grazing purposes only.

Re. SW.-20-32-6-W.4th-Mer.

With reference to the seed grain indebtedness outstanding against the above as incurred by Mr. Williamson, would you kindly advise me whether you have received any acknowledgment to your communication written in connection therewith and addressed to H. Mason, at Sedalia, under date of July 30th last. I might state for your information that an Abstract covering this quarter drawn under date of the 27th ultimo, does not show any registered interest held by Mr. Mason, but shows the land as still standing in the name of the lienor subject to a caveat lodged by the Northern Trust Company under date of April 16th, 1919. However, Mr. Mason may hold some unregistered interest, such as a transfer, and if you have not received an acknowledgment, I would suggest that you once more communicate with him advising this office as to the result.

Name of Applicant Ralph N. Thornton - Sedalia, Alta.

Land:- N.W. of Sec. 28 Tp. 32 Rg. 5 W4th M.

P.O. nearest land - Sedalia

General Remarks:-

Sir:

Land fairly level of a heavy gumbo soil, none of which is fit for cultivation, same would not support a settler. I consider it unsuitable for agricultural purposes or as a stock homestead. Value $4.00 per acre.

The improvements consist of 1 mile 2 wire fence, some down, posts rotten. Value $<5.00.

I wish to say it is in a district where they are farming or trying to farm, but owing to climatic conditions in several past years, it has been practically a failure and for this reason I am of theopinion that this land is more suitable for grazing than farming purposes.

Applicant's headquarters are on the N.W. 10-32-5 W.4th. He is the owner of 10 horses and 40 head of cattle.

re Robert J.Rogers - S.W.¼ 30-29-6 W 4th

We are in receipt of your letter of the 26th ult. in the above, and note contents.

Our understanding is that the lien for $132.00 is against the N.W.¼ of this section only, being pre-emption of Mr. Rogers, and does not affect his other property, being a charge only on the pre-emption until patent issues. We accordingly paid the amount due for seed grain indebtedness against the S.W.¼ 30, being liens for $77.00 and $99.50, and would ask that discharges of these liens be sent forward at as early a date as possible for registration.

Sir:

I am in receipt of a copy of your letter of the 25th ultimo, file No. 2149657-2149493, addressed to Messrs. Clarke, Carson, Macleod and Company, Calgary, showing the standing of the account of Robt. J. Rogers, of the SW¼ of section 30-29-5, W4th Meridian for seed grain fodder and relief. I note that you have applied an excess payment of $1.38 towards the reduction of Mr. Rogers 1919 seed grain indebtedness incurred on the security of the NW¼ of section 30-29-5, W4th Meridian, his unpatented pre-emption. I am advised by Messrs. Clarke, Carson, Macleod and Company that they have no interest in Mr. Rogers pre-emption and only desire to discharge the indebtedness registered against the SW¼ of Section 30-29-5, W4th Mer. which was patented to Mr. Rogers in 1913. According to a former ruling 1919 liens are not a charge on lands previously patented. I would be pleased to hear from you if there has been any change in this ruling.

SOUTH ALBERTA LAND REGISTRATION DISTRICT.

I HEREBY CERTIFY that the South West quarter of Section 30 in Township 29 and Range 5, West of the 4th Meridian, is subject to a certain liability or indebtedness to His Majesty KING GEORGE THE FIFTH, to secure the payment of which a lien of record in the Department of the Interior, at Ottawa, was executed on the 26th day of March, A.D. 1919, by Robert James Rogers for One Hundred and Thirty-two Dollars with interest thereon at the rate of 7 per centum per annum from the 26th day of March, A.D. 1919, to date of payment.

The letters patent for the said land have been issued upon the understanding that this certificate is to be transmitted to the Registrar of the District in which the said land is situated, to be recorded by him in the proper register or other record book or books in the Land Titles Office in and for the said district, and to be noted by memorandum upon the certificate of title of the said land, and the duplicate thereof, as a charge thereon.

In testimony whereof I have hereunto set my hand and seal of the Department of the Interior, at Ottawa, this 19th day of August, A.D. 1924.

Re: G. W. Life vs. R. J. Rogers.

We act for The Great West Life Assurance Company which holds a mortgage on the South West of 33-29-3-W4th which stands in the name of Robert James Rogers of Cereal, Alberta. We searched this land about the middle of August, 1924, and found that the title was clear and on the strength of that obtained from Rogers a Transfer in satisfaction of the mortgage to the Company but when we endeavored to register the Transfer we found that on August 12th there was registered against the title a seed grain lien in favor of the Crown for $182.00, being in respect of an advance made in March, 1918. We are rather at a loss to understand how Rogers could have obtained a loan from the Dominion in 1918 as our understanding of the matter has always been that the Dominion ceased loaning when the Province took it up in 1917 or 1918.

Will you be good enough to look into the matter and advise us as soon as possible of the exact situation. If the loan was actually made and the lien is properly registered you might be good enough to advise us of the amount you would be prepared to accept for a

Re - R.J. Rogers.
Great West Life Assurance Co.,
N.W. 30-29-1-4 (Cancelled Pre-emption)
S.W. 30-29-1-4 (Patented homestead)

Under date of March 28th, 1919, Mr. R.J. Rogers gave a Lien for $132.00 on the security of his Pre-emption the N.W. 30-29-1-4 to cover an advance of 20 bushels of wheat and 6 bushels of barley, therein agreeing to repay the said amount to the Union Bank at Cereal on or before January 1st, 1920, with interest at 7% from the date of execution, and in consideration of the fact that the Minister of the Interior on behalf of the Government of Canada had guaranteed to the above mentioned bank re-payment of same aforesaid, the said amount together with the stipulated interest was to remain a first charge against his unpatented Pre-emption the North-West 30 in favour of this Department until paid in full.

This Lien is still outstanding.

It having been ascertained in August last that the pre-emption entry was not in very good standing and that title to his patented homestead the South-West quarter still stood in his name, action was taken to register the Lien in question against the same which was duly effected by the Registrar on August 23rd, 1924.

Messrs. Macleod, Robertson, Smith and Company, Barristers, etc., at Calgary writing under date of the 20th ultimo on behalf of the Great West Life Assurance Company advise that on or about the middle of August last they searched title to the South-West quarter and finding the same clear obtained from Rogers a transfer in favour of their clients in satisfaction of a mortgage. On endeavouring to register the transfer they found the registration of the Lien in question as having been made on the 23rd of that month.

They request to be advised of the situation, and as the loan was actually made and the Lien properly registered, request an adjustment.

MEMORANDUM

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

I beg to refer you to Mr. Hogan's memorandum hereunder, relative to a 1919 Seed Grain Lien, given against the unpatented pre-emption of R. J. Rogers, and registered, for additional security, against his patented homestead, S.W.30-29-5 W.4th, after the pre-emption had been cancelled. The meagre details afforded by an abstract "As to Dominion Seed Grain Liens only" gave no information as to pending action by the Great West Life Assurance Company under their mortgage, at the time the lien was registered, and, as it would not be advisable to raise the question of our right to make such registrations under the 1919 Seed Grain Act, I would recommend that the lien be removed from the title to the S.W.30.

Respectfully submitted,

Financial Controller.

Dear Sirs:-

Re: G.W.Life vs. R.J.Rogers.
Your File 2142493 - 2149657.

We are still awaiting advice from you in this matter. You will remember that you wrote us on February 11th and stated the matter was receiving attention and we would hear from you again. We have heard nothing further although we wrote you on March 9th and on March 25th. As we pointed out in our letter of January 20th, we act for The Great West Life Assurance Company which holds a mortgage on the South West Quarter of 30-29-5-W4th standing in the name of Robert James Rogers of Cereal, Alberta. We searched this land about the middle of August, 1924, and found that the Title was clear and on the strength of that obtained from Rogers a Transfer in satisfaction of the mortgage to the Company but when we endeavored to register the Transfer we found that on August 27rd there was registered against the Title a seed grain lien in favor of the Crown for $132.00, being in respect of an advance made in March, 1919. On looking

back over a file which we had at the time this mortgage was placed we find that at that time under our file 21403 we wrote you inquiring with regard to seed grain indebtedness and you wrote back on November 1o, 1919, under your file 70169-70 advising us of certain seed grain, fodder and relief charges against the South West of 30 and a seed grain lien for $132.00 which you stated in your letter was charged against only the unpatented pre-emption, being the North West of 30-29-5-W4th. We, accordingly, paid off the other seed grain and fodder liens which you stated were against the South West of 30 and registered the mortgage, obtaining a certificate that the same was a first charge against the land. In view of your letter of November, 1919, we are, accordingly, at a loss to understand why in August, 1924, this seed grain lien for $132.00 should be registered against the South West of 30-29-5-W4th. We feel sure that this must be a mistake and as you have had more than sufficient time to look into the matter now we would be glad if you would let us have as soon as possible a withdrawal of this seed grain lien insofar as it affects the South West of 30.

Please see Mr. Marchand's memorandum of the 12th February last, your Reference No. 6801, on File 2149657, herewith, in connection with which you have asked for a report.

After consideration of the circumstances of the case, and as there is some doubt as to the legality of the registration of the lien given by Mr. Rogers for an advance in 1919 on the security of the unpatented pre-emption, and as we would still have the latter quarter section as security, I concur in Mr. Marchand's recommendation that the lien be removed from title to the South West quarter of Section 30, Township 29, Range 5, West of the 4th Meridian.

Your Ref. 76770.

With reference to the Seed Grain indebtedness outstanding against the above consisting of a Lien for $132.00 given by M.J. Rogers in 1919 it is noted that you directed a communication to the Lienor under date of April 7th last at Lloydminster.

In this connection I beg to advise that although the Lien in question was registered against title to the patented quarter the South-West it has since been found necessary in view of the representations made by Messrs. MacLeod, Robertson, Smith and Company of Calgary to remove the same.

As the Lienor's entry the North-West quarter has been cancelled it would appear advisable to have a further endeavour made to collect from him personally, and I would suggest in view of the fact that you have apparently not received an acknowledgment to your communication above referred to that you have an Inspector endeavour to locate him and obtain payment.

Ottawa

January 27, 1913.

To Any Agent of Dominion Lands

Authority has been given by Order in Council to grant Mr. H. T. Holness a quarter-section of available Dominion Land in lieu of the quarter-section which he is located upon in the Rocky Mountains Forest Reserve and which he has surrendered to the Crown. You are therefore authorised to reserve from entry any available quarter-section for which Mr. Holness may make application, and to report your action to the head office citing this letter as your authority. Mr. Holness should deliver this letter to you when he makes application at your office.

Your obedient servant,

Acting Secretary.

Council, approved by His Royal Highness the
Governor General on the 14th June

the Minister
Jos. P. B.

The Minister of the Interior submits,
under date the 7th January,1918, that Mr. A.I.Holmes located
on certain unsurveyed land on the north side of the north
branch of Sheep Creek in the Rocky Mountains Forest Reserve
in the Province of Alberta, prior to the reservation being
established with the expectation that the lands would be
finally surveyed and thrown open for homestead entry and
that he would obtain entry for a quarter section. Mr. Holmes
represents that he was given assurance from officers of the
Department of the Interior that entry would be granted him
as soon as the land was surveyed; that he has made improve-
ments upon the said lands, consisting of a house, stable,
fencing and breaking; that he has resided upon the land
since 1907, and, if the reservation had not been established,
would now be entitled to letters patent for the land as
a homestead.

The Minister further states that, as the
land upon which Mr. Holmes is located may be of considerable
value for water storage purposes, it is not considered
advisable that it should be alienated from the Crown, and
negotiations have therefore entered into with Mr.Holmes to
ascertain upon what conditions he would be prepared to
surrender any rights that he might have acquired to the
land; that Mr. Holmes has agreed to execute a surrender
of his rights to the land in question on payment of $1000,
to be $10 per acre, and upon this being permitted to take
up two homesteads

The Minister of the Interior.

Entered in the Council Cash
[illegible]

[illegible] for a quarter-section of available Dominion [illegible] and obtaining letters patent therefor [illegible] required to undertake any further homestead duties.

The Minister recommends that this arrangement be approved and that he be authorized to pay the fee of $10.00 to Mr. M.J. Holmes for the rate for the interception of timber in Manitoba, Saskatchewan, Alberta, &c., and to grant all letters patent for a quarter-section of available Dominion lands, upon his entering a surrender of his rights he may have to the land upon which he located.

The Committee submit the same for approval.

Sir,

With reference to your letter of the 28th February last, Ref. 171962, I beg to say that as Mr. H.T.Holness was authorized by Order in Council of the 16th January last to select an available quarter section of Dominion lands, and receive letters patent therefor without any homestead duties, in lieu of certain land surrendered by him in the Rocky Mountains Forest Reserve, the selection which he has made thereunder of the N.W.¼ of section 24, township 66, range 22, west 4th Meridian, which Mr. A.J. Lachapelle held under homestead entry and was recently permitted to abandon in order to have Half-breed scrip located thereon, has been confirmed. Mr. Lachapelle will, of course, as would have been the case had he located Half-breed scrip on the said quarter section, thereby exhaust his homestead right.

I may add that the assignment of the above quarter section from Mr. Holness to Mr. Lachapelle has been received in this Department from Messrs. Emery, Newell, Ford, Bolton & Mount, Barristers, Edmonton, and is now under consideration.

Your obedient servant,

THE HONOURABLE CHARLES STEWART,

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: John J. Gabbetis, No.1251354.
N.W.¼ 12-25-8-W. 4th M. - S.S.

The above named settler secured advances from the Board totalling $5500., the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Gabbetis requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Gabbetis states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated November 24th, 1924, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1321), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ of 12-25-8-W. 4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

OTTAWA - November 25th, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: J. G. Cunningham, #3212041.
N.E.¼ 30-29-4-W. 4th M. - S.G.

The above named settler secured advances from the Board totalling $2437., the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Cunningham, requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Cunningham states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated 12th November, 1924, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 30-29-4-W. 4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted.

W. P. I.

Gentlemen,-

In reference to your letter of the 2nd ultimo, enclosing an instrument under the Volunteer Bounty Act, declaring Effie May Affleck, wife of Leslie T. Affleck, of Fairacres, Alberta, the substitute of Cecil Van Deersen, who located his South African Volunteer Bounty Land Certificate on the S.E. of Section 9, Township 31, Range 4, east of the 4th Meridian, and Dominion Lands Receipt No. 11949, in favour of Mr. Van Deerson, for the location of South African Volunteer Bounty Land Certificate upon this half section, I beg to inform you that the instrument has been registered here.

It will be necessary, however, for Mrs. Affleck to present herself before the Agent of Dominion Lands at Calgary and make the above described half section entered in her own name, after satisfying the Agent that she is a British subject, or declaring her intention of becoming a British subject, that she is of the full age of 18 years and according to the usual application for entry.

In this connection, I may say that Certificate No. 7972, was not enclosed in your letter above referred to, as stated, as it was deposited with the Agent of Dominion Lands at Calgary when Mr. Van Deerson made his entry, and was forwarded on the 22nd to the Department by the usual way.

Sir,

I beg to acknowledge receipt of your letter of the 18th instant,- your files 21-9726 Comp. and in reply to say that the north half of section 9- 21- 4, west of the Fourth Meridian, was entered for as a military homestead on the 20th of September last by Basil Van Kierson, and it appears that the land was assigned to Mrs. Effie Mae Affleck on the 31st of March last. I was under the impression that the regulations in such cases provide that the date on which entry was granted to the original volunteer counted whether an assignment of the land was made or not, and in cases where cancellation proceedings were instituted against a soldiers entry a substitute was responsible for the performance of the duties in order that an entry might be placed in good standing. Will you kindly look into the matter again and let me hear from you further in regard to this point.

O t t a w a,

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for transfer of Dominion Lands.

Re: William W. Boulter - No.161245.
S.E.¼ 10-25-3-W. 4th M. - 80a.

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $2535., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Boulter requesting that patent to his homestead should be issued in favour of the Board. Mr. Boulter states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated November 26th, 1924, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ of 10-25-3-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.
